Additional information	Interest rate definitions explained		
	 AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. 		
	Gross p.a. is the interest rate without tax deducted.		
	The tax information provided is based on our understanding of current law and HM Revenue & Customs practice, both of which may change.		
	The interest rate is effective from 24 March 2022 and the other information in the Summary Box is effective from 28 July 2020.		

This summary box sets out the key features of the savings account. For full details, please read the account terms and conditions.
